

Northwestern School Coastal Climate Camp

We used the following climate change educational sites to prepare students for the Coastal Climate Camp:

Climate Change Education Sites

http://www.climatechangeeducation.org/k-12_schools/curriculum/elementary_school.html

<http://myasadata.larc.nasa.gov/lesson-plans/lesson-plans-elementary-educators/>
Climate Change Overviews

U.S. EPA Homepage

Comprehensive site on all aspects of climate change from the U.S. Department of Environmental Protection. Information about news, science, and policy.

NOAA Research

Summaries of the National Oceanic and Atmospheric Administration's research into several different aspects of global climate change.

Understanding Climate Change

A global warming primer from NCAR and UCAR.

World Resources Institute Climate Analysis Indicators Tool

Comprehensive compilation of charts, facts and figures about global climate change.
